Reservation changes

We at Camper.hr understand that sometimes things change. If you want to change the rental dates and if the camper is free in the requested period, the modifications are possible without compensation only if the modification is made 30 days before the performance of the lease.

Extending the route

If you are lost in the road trip adventure and want to renew your reservation while on the road, first contact us, our friendly booking team will gladly advise you if the extension is possible and present you with these associated costs. In order to ensure the renewal of the reservation, additional costs (calculated according to the current tariff), you will need to deposit on the company's account camper.hr prior to the lease renewal. Of course, all long-term discounts that apply will still apply to the reservation. We will always do our best to adapt to any changes-however, it is subject to availability of free terms.

Takeover and get acquainted with the camper

The camper renter delivers a technically sound and clean camper with a full fuel tank, a full fresh water tank, 2 full gas bottles, toilet chemicals, an empty waste water tank and a clean toilet cassette. When picking up, our staff will give you a detailed overview of the camper with all the information you need to know, they will present you with the internal and external characteristics of the camper. This ensures that you feel comfortable and safe in your camper before you set off on your trip. The camper can only be used on public roads. The truck crane must be handled carefully and in accordance with valid regulations and technical rules. The manual(s) must be followed. Comply with applicable regulations, load capacity regulations, vehicle dimensions (height, width, length) and all technical rules. The maximum total weight of the vehicle is 3,500 kg. You are obliged to regularly check the working readiness and safety of the camper. In particular, monitor oil and water levels and tire pressure and adjust as necessary.

The camper must not be used:

- For the purposes of motorcycle sports, especially driving competition events
- For testing vehicles or training on driver safety
- For other purposes resulting in excessive use of campers
- For driving exercises
- For commercial passenger transport
- For Rent
- Commit crimes, even if they are punished only by law from the crime scene and for transporting predominantly flammable, poisonous or otherwise hazardous substances.

Travel restrictions

Camper.hr at its discretion may restrict the camper's journey in certain areas due to the Conditions and distances to the nominated destinations in relation to the length of the lease period. Travel to war areas is prohibited. Travel within Europe is generally permissible, unless they include travel to Cyprus, Greece, Russia, Belarus, Ukraine, Moldova, Turkey, Iceland, Greenland, the Canary Islands, Madeira or Azora. Travel to Switzerland, Norway, Andorra and Liechtenstein are allowed. Any exception to these terms requires explicit and written consent of Camper.hr. The guest is solely responsible for providing familiarity with the traffic legislation and the laws of the countries visiting and complying with all applicable traffic regulations in all visited countries where the trip lasted. You assume all responsibility for any expense or loss of time while travelling in restricted areas.

Returning camper

Camper is your home away from home and for the sake of comfort, we recommend to be neat during road trip. The camper needs to be returned with the cleanliness of the interior, i.e. Garbage and waste and containers that have been emptied. If the camper does not return in clean condition, it is charged 150,00 EUR for cleaning. For the returned toilet cassette which is not discharged, the charge is 200,00 EUR. The exterior of the camper does not require cleaning unless it is covered with excessive dirt or mud, which makes it difficult for our team to see what the condition of return is. Late return is charged as a deposit charge, regardless of the circumstances. Camper.hr must be promptly informed of the delay in return.

Fixes

We understand that the camper may need small repairs during the rest or the small items included in the kitchen kit may need a replacement. In order not to disturb the trip, if the guest did not cause damage, repairs up to 100,00 EUR can be performed without authorization and will be compensated. If repairs are required above 100 EUR, the Camper.hr should be notified before completing the repair.
